

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

There is nothing new to report on the local hospital situation at this time other than that a number of people are still working on the many problems involved in keeping the doors open.

It is likely that a community wide meeting will be held here Sunday, Feb. 20, but no details are available on this at the present time.

I would like to offer my congratulations to Coach Bobby King and his Pipers for a fine basketball season and to wish them well in their play-off game next week with either Merkel or Anson.

And at the same time I would like to pass along a special congratulations to Coach Deane Wright and his Piperettes. They failed to make it into a play-off with Anson for the district title by a bare two points.

But no one who saw them back at the start of the season would have ever thought that they would even be in contention for the title. They did not play a team all year that was not considerably taller than they were, but they made up for it with a lot of hustle and determination.

I know that the girls are disappointed that they did not win last Friday at Haskell, but they can be very proud of their season and the way they played. Nobody could ask for any more from them.

In case you are wondering why Gov. Smith will not call a special session to take care of all the problems being created by the recent court decisions that have created havoc with our election processes — I think I may have found the answer.

James Roberts, publisher out at Andrews, said in his column the other day that he called an old friend down at Austin and asked him this question and this was his answer:

"It's a bag of worms. If Preston calls a special session, ten'll get you five, that within the first five minutes after the House convenes, some representative would ask for the immediate resignation of (House Speaker) Mutscher — and we'd jolly well be off to the races for a couple of months.

"And over in the Senate, about the same thing would occur. Since it's election year, supporters of each would be jumpin' all over one another trying to introduce impeachment proceedings against the governor, against Ben Barnes, friend, in all the name calling, accusations, and mud throwing — you couldn't even find a bill concerning filing fees."

"Well, how do we hold a primary election in this state?" Roberts asked.

"Beats me...but I betcha we wait until after the Mutscher trial — or its postponement — before we have a special session."

And another publisher friend of ours up at Perryton, Harold Hudson, has run across another court case that makes you wonder just where we are headed.

A suit has been filed in the U. S. District Court in Wichita Ka., against the Gas Service Co. seeking to prevent termination of service to those who can't pay their bills.

The suit, filed in behalf of three Wichita residents who said they couldn't pay their gas bill, seeks to have the gas company continue to furnish these people gas.

The suit wants to end the gas rate schedule now in effect. It wants a new system established that sets up a sliding scale based on the individual's ability to pay.

The poorer the person, the less he pays for his gas. The more money a person has, the more he would be

—Continued on Page Four

NO RUSH AS YET — Mr. and Mrs. L. J. Cunningham give Lucy Robins, left, car tags after registering her vehicle Tuesday. The Cunninghams are local agents for car licenses. They said Tuesday that the people are coming in rather slowly to register their cars and urge motorists to come now to avoid the last minute rush. Lines are likely to form the last week, they warned. Deadline is Mar. 31.

Several Contested Races On Tap for Primary Elections

With the filing deadline past, Hamlin voters will have several races to decide in the Democratic Primaries. The filing deadline was at 6 p.m. Monday with some last minute candidates entering the campaigns.

At the district level, David Ratliff of Stamford, who is giving up his seat in the Texas Senate to run for Representative of the 61st District, drew an opponent when Allan Griffiths of Sweetwater entered the race.

Apparently, Jack Hightower

of Vernon will be unopposed in his bid for re-election to the Texas Senate. Hightower's district was combined with the district now being served by Ratliff.

At the county level there will be three contested races — for sheriff and both commissioner's posts.

Sheriff Woodrow Simmons of Anson will be opposed in his bid for re-election by H. L. Baldwin of Avoca, who filed Monday as a candidate.

In the race for commissioner of Precinct 1, which serves the

Hamlin area, W. M. (Willie) Holloway of Anson will face three Hamlin candidates, Burnia Reid, Cecil Brown and W. L. (Bill) Moore. Johnnie Agnew, veteran commissioner did not seek re-election.

The other contested race in the county is for commissioner of Precinct 3 with incumbent commissioner V.A. McGee of Anson being opposed by P. A. Lynn of Anson and Oscar Paul Hawthorne of Anson. Both challengers filed Monday.

County officials who are running unopposed include tax assessor-collector Louis T. Johnson of Anson, county attorney A. J. Smith Jr. of Anson and Democratic chairman Moody Galbreath, also of Anson.

Boy Scouts, Dads to Meet Sunday At 3

A meeting of all Boy Scouts and their fathers has been set for Sunday afternoon at 3 o'clock at the Scout Hut. The meeting is for all Scouts and those interested in becoming Scouts.

It is important that the boys be accompanied by their fathers.

Beef Cattle Short Course Set In Anson

A Beef Cattle Short Course will be held in Anson at the 66 Sirloin Cafe on Monday, and Tuesday nights, February 14 and 15, according to an announcement this week by Jones County agent Kirby Clayton.

On Monday night, Paul Marion, Superintendent of The Texas Agricultural Experiment Station at Spur, will be on hand to discuss cross breeding on the Spur Station. Mr. Marion will also bring information on the exotic breeds and their place in the cross breeding program. Jim Arnold, artificial insemination Technician with the Spur Station will discuss Artificial Insemination Programs and Pregnancy Testing.

On Tuesday night, Norman Brints, Area Farm Management with Texas A & M University will talk on making money with beef cattle enterprises. Dr. Dale Lovelace, Area Agronomist with Texas A & M University will discuss Year Around Pastures for Livestock Grazing.

The meetings will start at 7:00 p.m. each evening and should conclude around 9:00 o'clock.

Pipers to Play Feb. 17 For District 7-AA Title

Piper Basketball coach Bobby King drew the bye when the coaches of the three teams tying for district honors meet here Saturday to make plans for the playoffs. Merkel and Anson will play tonight (Thursday) in Rose Field House on the Hardin-Simmons campus in Abilene with Hamlin playing the winner of this game next Thursday in Rose Field House.

The Pipers will play the Mozelle Mustangs here Friday at 7:30 in warm-up game. It will be a return match between the two teams as Mozelle defeated the Pipers, 66-64, in a game played at Coleman Monday evening. The Mustangs are winners of the 17-B Crown.

The Pipers downed Haskell in the final district game, 79-61, to stay in a three-way tie for district honors. Leonard Johnson was top scorer for Hamlin with 22 points, followed by Rick Rodgers with 19.

Merkel, Anson and Hamlin ended both rounds of play with identical 4-1 records.

The Piperettes dropped a 51-49 decision to the Haskell girls to miss out on a tie with Anson for district honors. Becky Wright scored 37 points for the Piperettes.

Both the Pipers and the

Flea Market, Sidewalk Sale Planned Mar. 4

The Retail Trade Committee of the Hamlin Board of Community Development held its first meeting of the year last Thursday and voted to make plans for a Flea Market and Sidewalk Sale to be held here Saturday, Mar. 4.

Joe Cortez and Roger Bell, co-chairmen of the committee, appointed Frank Shearer chairman for the project and named Mrs. I. R. Witt, Mrs. Jerry Waggoner and Arnold Cloud to the committee. This committee will be in charge of all such projects for the year.

The committee voted to have the first Flea Market sale on Mar. 4, but will postpone it a week if the weather is bad.

The Retail Trade Committee will meet the second Thursday of each month.

Arrow Service, Supply Moves To Downtown

Arrow Service and Supply, now at 253 South Central, was moved from the former location at 812 South Central.

Remodeling is still underway according to owner Horace Driver and plans are to expand the business to include a full line of hardware.

Plans will be formulated for a grand opening at a later date, Driver said.

Pack Meeting Set Tuesday

A Pack Meeting for all Cub Scouts and their parents will be held Tuesday at 7:30 p.m. at the primary school cafeteria.

Young Bill Maddox, Cubmaster, will preside.

The opening will be presented by Den 4; the skit by Den 2; the yell or song by Den 3; and the closing by Den 1.

School Board Resets Meeting

The regularly scheduled Board of Trustees meeting of the Hamlin Independent School District set for Monday, Feb. 14, has been postponed until Monday, Feb. 21, according to W. T. Johnson, president.

Piperettes ended the district race with 8-2 records. The Piperettes earned the second place spot behind Anson who finished with a 9-1 record. The Haskell girls were third with a 7-3 record.

Both student and adult tickets for the two play-off games are available at the high school here. Adult tickets are \$1.00 and student tickets are 50 cents if bought here. All tickets will be \$1.00 if bought at the game.

Lions Club to Serve Pancakes Here Tonight

The annual Lions Club Pancake Supper and Cake and Pie Sale will be held in the high school cafeteria tonight (Thursday) beginning at 5:30. Serving will continue until 7:30.

Tickets may be purchased from any Lions Club member or may be bought at the door tonight. Tickets are 75 cents each with the club promising all you can eat.

Homemade pies and cakes will also be sold during the supper.

Ellis West and James Murphree have been named co-chairmen of the event by Lions Club President Bill Harbert.

Harbert said that proceeds for the supper will be used by the local Lions to finance their many service projects held during the year.

Mothers March Set for Sunday

The Mothers March of Dimes will be held Sunday beginning at 1:30 p.m. when workers meet at Farmers and Merchants National Bank.

The March was set earlier but was re-scheduled because of the weather.

Volunteers from the local women's clubs and high school girls are assisting with the drive.

Mayor, Two Councilmen Top Be Elected

Hamlin voters will go to the polls here Saturday, April 1, to elect a mayor and two councilmen. The terms of Mayor Hollis Madden and Councilmen Joe Ford and D. W. Cowan expire this year.

The final day for filing for election will be Mar. 2.

Those interested in filing for mayor or as a councilman may do so by contacting Johnny Steele, City Secretary, at the City Hall before the deadline.

Mr. and Mrs. Benny Thomas Lee of Abilene are parents of a girl, Andrea Diane, 5 lb. 14½ ozs., born Feb. 3 at 8:38 p.m.

County Bollweevil Spray Program Plans On Schedule

Stuart Propst, president of the Jones County Bollweevil Diapause Association, said this week that plans are right on schedule for completing the organizational work on the Jones County Bollweevil spray program which is scheduled to begin here this fall.

the purpose of administering the program. The location of this office will be announced as soon as adequate office space has been secured.

Propst said that the articles of Incorporation along with the By-Laws for the organization were received here this week. They were revised to fit the Jones County spray program at a special meeting of the By Laws committee which was held at the 66 Sirloin Cafe in Anson at 7:00 a.m. Tuesday. The revised By-Laws and articles of Incorporation will be presented to the board of directors of the Jones County Bollweevil Association at a later date.

Propst also stated that a letter explaining the program along with an individual contract for farmers to sign will be mailed out to each cotton farmer in the next three weeks.

Plans are also being made to establish an office in Anson for

TO SPEAK — Rev. Marvin Buell, missionary from the Panama Canal Zone, will speak here Tuesday at the Church of the Nazarene at 7 p.m. The public is invited.

PAST PRESIDENTS HONORED — Past presidents of the Hamlin Elementary Parent-Teachers Association were honored Thursday at the Founder's Day observance in primary cafeteria. From left are, front row, Mrs. Gordon Bennett of Abilene, Mrs. E. J. Hawkins, Mrs. Weldon Johnson and Mrs. Ray Edmiston; second row, Mrs. J. C. Turner, Mrs. Henry Albritton, Mrs. W. T. Johnson and Mrs. Bill Davis; third row, Mrs. E. D. Perrin, Mrs. M. L. Smith, and Mrs. Francis Schneeweis of Lamesa; top row, Mrs. Jack Vaughan and Mrs. Gerald Young.

P-TA Honors Fourteen Past Presidents Here Thursday

Fourteen former presidents of the Hamlin Elementary Parent Teachers Association were honored at the Thursday afternoon meeting in primary cafeteria. Twenty-seven women have served as president since the organization was formed here in 1924.

Mrs. James Stewart, president, dedicated a poem to the past presidents and presented each with a red carnation. Present were Mmes. Gordon Bennett of Abilene, Henry Albritton, Weldon Johnson, E. J. Hawkins, J. C. Turner, John D. Ferguson, M. L. Smith, E. D. Perrin, Gerald Young, W. T. Johnson, Jack Vaughan, Francis Schneeweis of Lamesa, Bill Davis and Ray Edmiston.

The program, "History of Founder's Day" was presented by Mrs. Ferguson and a symposium composed of Marvin Carlton, Mrs. Ernest Jenkins, Mrs. Harvey Elkins, Mrs. Donley Williams and Mrs. W. Wallace.

Members were reminded that this year marks the 75th Anniversary of PTA. The organization was founded Feb. 18, 1897 in Washington, D. C., as the National Congress of Mothers. By 1925 men and teachers were joining in such numbers that it became the National Congress of Parents and Teachers, more commonly known as the National PTA.

Mrs. Ferguson pointed out that there are some 11 million members in 52 state branches of the organization which has long been recognized as the best medium for promoting study of and cooperation with schools in educational matters and for enlisting public interest in

excellence in education for every child.

During the business session a report was given by Mrs. John Howard Jr., primary School secretary. She thanked the PTA for presenting the school with a Thermofax copying machine. She assured members that the machine was much needed and would be put to good use.

Rev. Dick McNally, pastor of the Assembly of God Church,

Mrs. Williams Elected Club President Fri.

Mrs. Jackie Williams was elected president of the Woman's Literary Club at the Friday afternoon meeting in the home of Mrs. Virgil Steele.

Other officers elected at the annual business meeting include Mrs. Johnny Waldrop, first vice president; Mrs. L. O. Hughes, second vice president; Mrs. L. B. Bruner, recording secretary; Mrs. Archie Carson, corresponding secretary; Mrs. Arlie Cassle, treasurer; Mrs. E. E. Monkres, musician; Mrs. Steele, reporter and Mrs. R. D. Wade, librarian.

Mrs. Donald Young, president, presided. Mrs. R. D. Wade gave the invocation.

The Federation News was given by Mrs. L. H. McBride.

The program on "Our Present Youth Movement" was given by Mrs. James Stewart.

Mrs. A. J. Smith Jr. of Anson, president of Mesquite District, TFWC, will be the special speaker at the next meeting Feb. 18 in the home of Mrs. Cassle.

gave the invocation. Room count was won by Mrs. Leldon Clifton.

The second grade presented the entertainment.

Mrs. James Crowley gave the thought for the month.

Date for the annual Open House at the Public Schools to be held Mar. 2 was announced. This will mark the observance of Texas Public School Week.

'Our Own Home' Is Program Topic For Club Meet

Members of Beta Theta Chapter of Beta Sigma Phi heard a program on "Our Own Home" Wednesday, Feb. 2, presented by Mrs. Parker Kelley in the home of Mrs. Scotty Knox.

The essentials of a well decorated home were given. The main principles of proportion, balance, emphasis, rhythm and repetition were explained. Using these, she said, the objectives of beauty, expressiveness and functionalism are attained.

Mrs. Kelley gave the fundamental rules in selecting and arranging furniture. The most important rule in arranging furniture, she said, is to have a center of interest which can be a window, fireplace, painting or an unusual furniture piece.

Examples of period furniture were shown to the group.

Mrs. Ken Prewit, president, presided. She asked for volunteers to help with the Mother's March of Dimes to be held Feb. 13.

Mrs. Sam Mack Hodges announced the Valentine party to be Feb. 11 in the home of Mrs. Cecil Sellers.

Others present were Mmes. Leldon Clifton, John Ferguson Jr., Joe E. Ford, Sam Mack Hodges, Johnny Jeffrey, Bob McKissack, Mack Sellers and Jack Willingham.

The next meeting will be Mar. 1 at 4 p.m. in the home of Mrs. O. H. Weaver Jr.

FEBRUARY BIRTH DATES RECOGNIZED — Residents of Holiday Lodge with February birthdates were honored Tuesday are, from left, Aleatha Carr, born Feb. 11, 1878, Ada Nixon, born Feb. 24, 1890 and Will Address, born Feb. 28, 1885. Not pictured is Faye Smith, who was born Feb. 9, 1896. All were presented gifts.

Forum Makes Tentative Plans For Carpet

Tentative plans to carpet Harden Memorial Library were made at the Monday evening meeting of the Woman's Forum. The group voted to present the project to the member clubs for their approval.

Plans to make money with bake sales will be presented to the member clubs. Details of the project will be worked out by the finance committee of the Forum, following approval of the clubs.

Mrs. John Ferguson, president, presided. Mrs. Donald Young gave the invocation.

Mrs. Jim Jones, librarian, reported that 56 books were checked out in December and 76 were checked out in January. Four new books were purchased and eight books donated.

Bridge Winners

Mrs. G. W. Comegys and Mrs. L. W. Shivers captured first place in the Tuesday evening Hamlin Duplicate Bridge Club meeting held in the Jaycee Community Building.

Mrs. Gene Knabel and Preston Morrow of Rotan won second and Mr. and Mrs. Harry Yates of Stamford won third.

Young H'makers Meets Monday

The Young Homemakers met Monday evening at Hamlin High School. It was decided that Mrs. Guy Weaver, president, and Mrs. Chris Pena would attend the Woman's Forum.

The program on Fondue was presented by Mrs. Dan Newberry, Mrs. Robert Moore, and Mrs. Joe W. Carter. Everyone sampled the assortment of cheese, sauce and chocolate fondue.

The history of fondue and fondue recipes were given to each member.

Members present were Mmes. Newberry, Larry McCoy, Carter, Cleon Warner, Danny Warner, Corky Taylor, J. E. McCoy Jr., John Poe, Moore, Weaver, Burt Oliver and Chris Pena.

Classified deadline is 8:30 a.m. Wednesday.

The yeast-rising loaf

FROM THE FILES . . .

FORTY-THREE YEARS AGO
(February 22, 1929)

Mr. H. R. Harwell, now connected with Spencer Lumber Co. in capacity of bookkeeper, but formerly an army aviator, recently returned from Iola, Kan., where he contracted for a swift Moore-Thomas Airplane and at very early date will open an airport here, with a flying school in connection.

Earl Isbill, principal of Hamlin High School and Director General of the University Interscholastic League in Jones County, announces that the county meet will be held here Mar. 29 and 30. This is the first time in the history of the town that the meet has come to this place.

The Senior Class of last year was the first graduating class to wear caps and gowns for graduation. The present Senior Class thought it would be a very sensible thing to do, so they voted to wear caps and gowns again this year.

At last it gives the Herald a great deal of pleasure to state Hamlin is to have two hardsurfaced highways. One was what we had been hoping for, but instead we are to have two, and without voting extra bonds.

This was made possible by the fact that it was discovered there was more than enough money to pave the Hamlin-Stamford Highway, and the surplus will be diverted to No. 4, the Great Plains highway that runs down Central Ave., and will be more than ample to meet the paving that has already been done.

TWENTY YEARS AGO
(February 8, 1952)

Finish work on the new primary school building in Northwest Hamlin is well underway, and Superintendent I. R. Huchingson said this week that the \$100,000 structure would be ready for occupancy by early March.

A petition bearing 178 names of Hamlin residents, about half of whom were business men of the town, asking that an election be called by the City Council to ascertain the will of the people in connection with the parking meters, was presented at the city hall Tuesday.

Plans were being completed in Hamlin this week for the rat eradication program scheduled to be conducted in the business section of the city next Tuesday, according to Mrs. E. M. Wilson, secretary of the Chamber of Commerce, which is sponsoring the campaign.

Start of work on the new post office building for Hamlin was being delayed this week by preparation of architect's drawings so that competitive bids may be secured on the proposed structure.

Hamlin did experience a dry year during 1951, but three other years of the last ten have been dryer, a check of th rainfall tabulations gauged at the Hamlin city waterworks reveals.

Surfacing on the three and one-half mile stretch of Highway 83 between Jones-Stonewall County line and the Brazos North, north of Hamlin, was well underway this week.

TEN YEARS AGO
(February 15, 1962)

The Hamlin Piperettes will engage Spearman in Abernathy Mon. Feb. 26, at 7:30 for Bi-District honors after winning their first district 6-AA championship. Spearman will represent district 5-AA with a 26-1 record. The Hamlin girls finished district play with an unblemished district record and a 17-7 season record.

The annual Blue and Gold Banquet for the Cub Scouts will be held in the Junior High School gymnasium Monday evening at 7 p.m.

Members of the Hamlin High School Stage Band won first place in the Class 2A division in Canyon Saturday at the Third Annual Stage Band Festival held by West Texas State College. The group received a division I rating in competition with three other Class 2A schools. This included Childress High School, Tahoka High School and Perryton High School.

In observance of National Dental Health Week the local dentist, assisted by members of the Parent-Teachers Association, checked 833 students at the school Thursday for dental defects.

Mrs. Donley Williams was elected president of the Camp Fire Girls Leaders Association at a meeting held in the Camp Fire Hut Wednesday afternoon.

The Hamlin Rotary Club will hold their annual Ladies Night banquet Thursday at the Primary School Cafeteria at 7:30 p.m. according to Rev. Edmund Robb, president.

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

expected to pay for the same amount of gas.

The suit, filed by the Wichita Legal Aid Society, says that a gas company that cuts off the gas simply because a customer doesn't pay his bill has violated his rights under the 5th and 14th amendments to the U. S. Constitution.

Like Hudson says in his editorial, "There seems to be some sort of overwhelming obsession to level out everything, to redistribute the wealth, to put everybody on the same standard of living, to restructure the whole of American society through judicial edict.

Neinda Philosopher Wants A Consumer Amendment Added to Value-Added Tax

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One comes up with a counter tax proposal this week. It's success seems dim.

Dear editor:

As I understand it, Washington, faced, like you and me, with the problem of having more demands for money than it has, is considering a new kind of tax called the Value-Added Tax.

The way it works, I've been told, is that every time a product is improved, from the iron ore stage through the steel process through manufacturing to the finished automobile or tractor or whatnot, a Value-Added tax is imposed.

When a steel company turns ore into steel it has increased its value so at that point a tax is assessed. The company pays the tax but adds the amount to the price of steel. When the steel is forged into a knife or a car bumper, naturally its value has increased so another tax is assessed there, which that

ups his price by that much, and so it goes, every step being taxed and added to the cost of the finished product, which by then is carrying a pretty heavy load which is paid in the end by the consumer.

This is being heralded as a new source of tax revenue, which in political phraseology means a new way of getting at the same old source, you and me and the rest of us.

Now I understand I don't object to this tax, anymore than I object to any other tax, and after all land and other porperty can stand just so much tax and that point has already been reached and passed in most places, but the consumer ought to be entitled to some small break in this new tax proposal, and I have a suggestion.

If he's going to pay a Value-Added tax all the way from iron ore to the finished car, he ought to be entitled to a Value-Lowered Refund every time the finished car heads back down on its way to scrap metal.

Say you pay \$3,500 for a new car and 4 years later when you

dealer looks in his book and says it's worth \$500. Clearly you ought to be able to throw the Value-Added tax into reverse and collect a Value-Lowered Refund. The same would apply to refrigerators, television sets, tires, tractors, furniture, etc.

I hope you'll call this to the attention of Congress. A dealer just offered me \$75 for my old car, provided I'd bring it around to the back.

Yours faithfully,

J. A.

Seriously III

Mrs. Frances Scott received work Saturday that her great-granddaughter, Vanessa George is in critical condition in a Fort Worth Hospital. Vanessa is the daughter of Mr. and Mrs. J. Don George of Ft. Worth and granddaughter of Mr. and Mrs. Roy F. George.

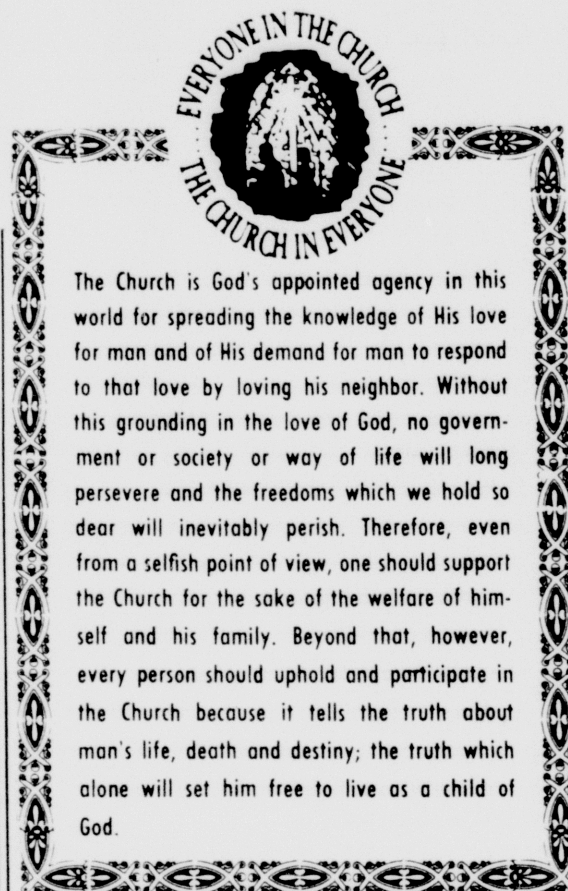

Vanessa went into a coma Wednesday morning which required brain surgery, and as of Monday had not responded to treatment. Mrs. Scott said.

Where have the LEAVES Gone?

Trees without their leaves, are like a Church building without the people. The real warmth, friendliness, and welcome atmosphere are created by the people. All of these things are a real aid to worship.

"Give unto the Lord the glory due unto his name; worship the Lord in the beauty of holiness."

Come, be one among many to share in the joy of worshiping in the Lord's house

Hamlin High Happenings

Piper Patter

by Shelley Holtz
Jimmie Lou Bishop
Terri Casey

Good 'ole H.H.S. is really buzzing this week, with all the attention attracted to our fine varsity basketball boys! We're all anxiously awaiting the game between Merkel and Anson so we will all know who we're

going to beat! Our boys have really done a fine job this year and they deserve to be the champs. The support has been tremendous, so let's not let them down! All the way with our Piper Team!!!!

The Pipers have scheduled a practice game here, Friday night with Mozella.

H.H.S.

On behalf of the varsity girls we all want to say thanks to the people that supported us during the season. You never realize what a little pat on the back can do until after losing such an important game.

H.H.S.

The F.H.A. Beau Night will be Monday, Feb. 14 with guest speaker Frank Calhoun, our state representative. He will speak on the theme "Stand Up for America." At this time Miss F.H.A. and F.H.A. Beau will be presented. The high school faculty and all F.H.A. members are invited.

Junior High, Anson to Play Here Monday

The three Hamlin Junior High Basketball teams will host Anson here Monday evening with the seventh grade teams playing at 5:30, followed by the eighth grade girls and the eighth grade boys.

Playing here Monday evening the seventh and eighth grade boys defeated Lueders-Avoca with the eighth grade girls losing. The seventh grade, lead by Delbert Thompson with eight points, defeated L.A. 36-15.

Gary Don Mayes scored 10 points as the eighth grade won, 34-26.

The Lueders-Avoca girls defeated the local girls, 20-5. Melissa Madden scored three points for the losers.

Elementary Faculty Hears Mrs. Fowler

Mrs. L. R. Fowler, Jones County Counselor, met with the Hamlin Elementary faculty Friday. She emphasized the importance of organized guidance services at the elementary level and the role the teacher has in the mental health of her students. She stated further that it is at the elementary level that preventative guidance must be practiced if the intensity of the problem is to be reduced at the secondary level.

Other school related areas which are conducive to better guidance at the elementary level are adaption of curriculum to levels of development, child-study programs, and effective mental-hygiene practices.

Texas building — 24 percent over 1970 — set an all-time record last year.

Four High School Students Selected for Recognition

Four Hamlin High School students have been selected as Outstanding Teenagers of America for 1972, according to B. V. Newberry, principal.

Selection for the Outstanding Teenagers awards program automatically qualifies these students for further state, regional, and national honors and scholarships totaling \$7,000. Local nominees are: Rodney Rackley, Richard Rodgers, Deborah K. Meyner, and Ester Ree Brown.

Nominated by their principal, the Outstanding Teenagers of America are chosen from individual schools across the country for excellence in community service and academic achievement. The

local students will now vie for the Outstanding Teenager of the Year Trophy to be presented by the state's governor. Similar trophies will be presented to winners in other states. The state winners are selected by the Outstanding Teenager Awards Selection Committee, in cooperation with the Board of Advisors.

The 50 state winners will be eligible for awards totaling \$7,000. One boy and one girl will be chosen for national scholarships of \$1,000 each to be used at the college or university of their choice. Ten regional winners will also be selected from the remaining state winners to receive \$500 regional scholarships.

LETTERS TO EDITOR

(Editor's note: The following letter is written in response to the following paragraph in last week's "And What Have You" column which the writer claims makes no sense: "It appears that if we are going to have medical facilities any time in the future we likely will have to come up with a clinic and at the very least completely overhaul our hospital facilities. But I believe that the people of Hamlin can do all of this if we can just come up with some doctors.")

There are two sides of a coin and two sides to most everything else.

For the past six months Hamlin Hospital has been in deep trouble. For the past six months Hamlin has had THREE faithful doctors.

The doctors asked for help — none came.

It could have been made a City Hospital as Anson has. The Mayor was contacted in Sept. 1971, but there was no cooperation from the City of Hamlin.

Why would a doctor come to a town with sub-par facilities? When doctors are leaving for that reason. Finding doctors is NOT a solution.

For the past 23 years — the doctors have had a hospital because they paid for it to the tune of \$1500 a month, most of the months since 1949.

Now it seems a Citizen's Committee expects the doctors to give this investment of time and money to them. Why?

After all, the doctors paid for the hospital, furniture and equipment and now cannot claim one single brick.

None of the accounts receivable were available to Dr. Hawkins when he took over May 1, 1949. They were promptly locked up in Pat Patterson's office downtown. Now a Citizen's Committee expects doctors to give them all accounts receivable so they can run the hospital.

People of Hamlin had better start talking Bonds for improvements or a new hospital rather than getting doctors.

Maybe you expect doctors to continue to serve you a hospital on a Silver Platter.

Gabie Hawkins

Baptist Men's Rally Planned At Lueders

The Baptist Men's Rally will be Thursday, Feb. 24, at Lueders Encampment Grounds beginning at 6:00 p.m. with the evening meal. The program to begin at 7:00 p.m.

Guest speaker for the rally will be Tommy Phelps, Evangelist from Amarillo who was a professional wrestler for seventeen years before being converted to Christ.

The associations to be represented at this meeting will be Cisco, Abilene, Callahan, Haskell-Knox, Sweetwater and West Central.

Sister of Local Residents Dies In Odessa

Funeral for Mrs. Lillie Tempey Flood, 81, sister of three Hamlin residents, was held last Tuesday, Feb. 1, in Odessa at the Eastside Baptist Church with burial in the Odessa Cemetery.

Mrs. Flood died Jan. 30 in the Andrews Hospital after a short illness.

She was born Aug. 27, 1889, in Littleton, N. C., and was married to J. N. Flood June 30, 1907, at Trent. The Floods resided on Route 3, Hamlin for many years where they farmed on the Phillips Farms. They moved to Odessa in 1946. Mr. Flood died in 1968.

Mrs. Flood was a member of the Baptist Church.

Survivors include eight daughters, Mrs. Ophia Lee Gross of Andrews, Mrs. Roxie Culver of Ada, Okla., Mrs. Jessie Fredricks of Concord, Calif., Mrs. Johnnie Johnson of Corpus Christi, Mrs. Josie VanNess of Abilene, Mrs. Wilburn Ragle of Andrews, Mrs. Dorothy Jogupulas of Pittsburg, Calif., and Mrs. Connie Anderson of Odessa; three sons, Thomas Flood of Odessa, J. D. Flood of Ft. Worth and Foy Flood of New Deal; 35 grandchildren; two brothers, Jack Neal of Hamlin and Homer Neal of Anson; three sisters, Mrs. John O'Neal and Annie Webb, both of Hamlin, and Mrs. Fred Bass of Dallas.

Lovington N. M. Rites Held for A.B. Hennington

A former McCauley man, A. B. Hennington of Lovington, N. Mex. died Saturday and was buried Monday in the Lovington cemetery. He had lived in the Lovington area for the last 40 years and was a farmer in the Prairieview community near Lovington. He was a brother of the Henningtons of McCauley and Hamlin.

The survivors are his wife, Bernice Bridges Hennington of the home, whose family were pioneers in the McCauley community; one son, Paul of Lovington; two daughters, Evelyn Abels of Oklahoma City and Lady Joan Summerville of Nashville, Tenn.; two brothers, Albert of McCauley and Roy of Hamlin, two sisters Ruby of McCauley and Annie Martin of Ropesville; four grandchildren and one great-grandchild.

Goal of New Feed Grain Option Is to Increase Set Aside Acreage

"This added option will make the set-aside program more effective in protecting feed grain farm income this year," said Secretary Butz. The Secretary went on to say, "We are determined to provide the kind of program that will give producers the widest possible latitude in participation choices while enabling them to keep feed grain production within reasonable limits."

Under the new option, corn producers, after setting aside the 25 percent of their feed grain base to qualify them to earn their basic payment, will be able to earn an increased rate of payment on additional set-aside — 80 cents per bushel on an added 10 percent of their base. For sorghum, the payment will be increased to 76 cents per bushel. To qualify for the higher payment rate under this new provision, the producer will agree that for each acre of additional set-aside, his 1972 corn-grain sorghum production will be reduced by two acres below his 1971 corn-grain sorghum production but could be planted to any crop not subject to other program restrictions. In addition, producers may offer an additional 5 percent of their corn-grain sorghum base at the same rate which may be accepted at the option of the Secretary.

As originally announced for the 1972 program, producers can qualify for a payment of 52 cents per bushel for corn and 49 cents per bushel for grain sorghum, for a 10 percent extra voluntary set-aside. This will continue to be available. They will also be eligible as announced Oct. 18, 1971 for another 5 or 10 percent at this same rate with the Department

announcing the late March whether any of this will be accepted.

If a producer uses the new additional set-aside option offered today, he will forego any additional set-aside options for corn-sorghum or barley.

The set-aside payment rates are based on a farm's

established per-acre yield. There is no extra option for barley producers. Their program is unchanged from that originally announced.

Signups for participation in the 1972 program began Thursday, Feb. 3, and will continue through March 10. Concurrently, producers of wheat and of cotton will be signing up for their programs.

Mr. Early, a native of Sylvester, began his career with Continental Oil Company in the Eunice, New Mexico, area. He was transferred to the Hamlin area in May 1956, and has remained in the Hamlin-Aspermont area since that time.

Democrats are feuding over adoption of required new party rules for conventions and

NEWS FROM . . .

Sylvester

By MRS. R. M. BABB

Sorry about last week but guess I am just getting old. My news was written and I drove to Hamlin and left it on the table.

We have a beautiful sunny morning but — 20 degrees cold.

Mrs. Edward Lawlis had in her home over the weekend and on Sunday, W. T. Lawlis and wife from Washington state. They will be here for some three weeks. Mr. and Mrs. Howard Fount Lawlis of San Angelo, with Mrs. Lawlis' parents, Mr. and Mrs. Cuzek of Penn., Mr. and Mrs. Harvey Lawlis from Hamlin, Mr. and Mrs. John Henley of Abilene, Mr. and Mrs. Waldrop of San Angelo and seven grandchildren were also present.

Our sympathy to the family of Mrs. Retta Kidd who passed away last Saturday.

Mr. and Mrs. Merrel Turner of Farwell visited with her Mother in Hamlin over the weekend as well as attending the funeral of Mrs. Kidd.

There is always singing each third Tuesday night at the Methodist Church in Sylvester.

Our sympathy to the family of Mr. George Hood who passed away last Wednesday.

My reports on Fred Turner are that he is doing as well as can be expected. He is in the hospital in Dallas and blood is badly needed. If you can give, please contact Bro. Grigg, telephone 915-993-4181.

Mr. and Mrs. Ross Douglass attended the National Catfish Convention in Dallas last week and while there visited with the Fred Turner's at the hospital and also visited Mrs. Artie Smith in her daughter's home and got to see the new granddaughter.

Mr. and Mrs. Mike Dobbs of Big Spring were in the Woodrow Lawlis home over the weekend.

Sunday after church Mr. and Mrs. Woodrow Lawlis drove to San Angelo to visit in the Jack McClung home.

The address for Fred Turner is Morton Cancer Research Hospital, Room 320.9000 Harry Hinds Blvd. Dallas, Texas., 75235.

(from last week)
 Mrs. Harvey Hood is in Simmons Memorial in Sweetwater unless she has been released the past day or two. My last report on Mrs. Meeks in Simmons was she was a little better.

Fred Turner was moved to Dallas for further tests last Friday.

Mrs. Carra Perkins drove over to Rotan one day last week and spent the day with the H. Grubens.

Farmer's Tax Guide Now Available

The 1972 edition of the "Farmer's Tax Guide" is now available from county agricultural agents or the Internal Revenue Service, Ellis Campbell, Jr., IRS District Director for North Texas, said today.

The booklet, IRS Publication 225, shows how farmers should fill out the 1040 tax return and which schedules should be attached. A listing of important Federal tax dates for farmers can also be found in the publication.

Written in non-technical language, the tax guide contains many examples of how farm transactions are handled for Federal income tax purposes.

Although primarily written to help farmers prepare their 1971 tax return, the Guide is useful as a reference throughout the year.

Robert Foster Enrolls AT LCC

Robert Foster, son of Mr. and Mrs. Clarence Foster, 444 N. E. Avenue A, Hamlin, has enrolled for the spring semester at Lubbock Christian College.

Foster, a returning freshman, is majoring in Bible.

LCC is a small, private, senior college offering BA and BS degrees in 16 majors.

Teachers finally got their three-months' retroactive pay

Major Provisions of '72 Cotton Program to Remain Unchanged

No changes will be made in the 1972 Upland Cotton Program announced October 18, 1971, it was announced by Secretary of Agriculture Earl L. Butz.

Asa in 1971, there is no restriction on cotton planting. Farmers who comply with terms and conditions of the program may plant as much cotton as they wish — without penalty — and still receive the full payment of 15 cents per pound on the farm program yield times the cotton acreage allotment. Payments will be made soon after July 1. Loans will be available to participants on all cotton produced on the farm.

The USDA special Jan. 27 report showing farmers intend to plant 13.1 million acres of upland cotton in 1972 is an increase of 900,000 acres over 1971. "Plantings of this size," the Secretary said, "at average yields will provide sufficient cotton to meet our domestic and export needs as well as add to

carryover stocks.

"In view of the favorable demand-price situation for upland cotton, farmers' planting views as expressed to us, and the opportunity a farmer has to meet the obvious demand under the 1972 cotton program, I see no need to adjust any of our announced program provisions for 1972 in order to provide adequate supplies for market and reserve needs," Secretary Butz said.

The beginning of the enrollment period for farmers to sign up to participate in the 1972 program was moved up to Feb. 3.

Good taste means only that you enjoy the valuable and the creative with understanding.

And now a word about H&R Block's competition.

Because we think our competition represents more of a threat to you than it does to us, we're going to help you sort them out.

Your Family
 The greatest people in the world. Most of the time. Unfortunately, most of the time doesn't include income tax time. Because the last thing you need when you're doing your taxes is an aunt who took an accounting course just before she dropped out of college. Or a father who thinks how much money you make and what you do with it is something the rest of the family should know about.

Your Neighbors
 You know the type. The mild-mannered shoe salesman next door who suddenly turns into a mathematical genius just about the time income tax is due. He knows all the angles. Some of which even the Internal Revenue Service doesn't know about yet. And he's willing to share them with you. "Just to be neighborly."

You
 Your own worst enemy. All year long you can't balance your check book, but that doesn't stop you. Armed with your W-2's, a few reams of paper and a couple of gallons of coffee you bravely attack that stack of forms. You may be taking deductions you're not entitled to, and entitled to deductions you're not taking. So, should you be doing your own taxes?

ELECTRICITY

IS FOR PEOPLE

NATIONAL ELECTRICAL WEEK FEB. 6-12

It lives with you
It works with you

Electricity is the energy of progress. And the men and women of your investor-owned West Texas Utilities Company, are on the job to make it great for you today, better tomorrow. With many years of dependable service behind us, your neighbors at West Texas Utilities have constantly sought the best way to serve you so that you may live better electrically.

NEWS FROM . . .

Old Glory

By Bernice D. White

February has brought some rather cold and unpleasant weather. Had we had a ground hog, he would not have seen his shadow on Feb. 2; and then according to legend, he would not have returned to his hole. Which only proves that even a ground hog can't predict West Texas weather. He'd probably have frozen to death by now. Perhaps that is why we don't have ground hogs.

In addition to the cold weather, quite a few of our people have had their head under their wing suffering from a round with the flu.

Old Glory Pirates continued their winning streak last week by defeating Paint Creek boys on Tuesday night and then the

Benjamin team on Friday night. They now stand at 10-0 in District. Old Glory girls basketball team has completed their district games with a 7-7 rating in District.

Reva and Regina Letz, both students at Angelo State University in San Angelo were here last weekend visiting their parents, Mr. and Mrs. Ed Letz.

Mr. and Mrs. Garrett Spitzer spent the weekend in Waco visiting with his uncle and aunt, Mr. and Mrs. Otto Spitzer, a cousin, Mr. and Mrs. Nelson Spitzer. They also visited with Mrs. Spitzer's cousin and family, Mr. and Mrs. Virgil Klump and children. Another cousin, Mrs. James Wheeler of Barlett met them there.

Mrs. Tim Jennings and children of Albuquerque, N. Mex., are here visiting with her parents, Mr. and Mrs. A. R. Sawyers, and his parents, Mr. and Mrs. T. W. Jennings. Tim is spending several weeks in Houston receiving special training for his job, and while they are here little Leslie Jennings is attending kindergarten in Rule.

Judy White of Lubbock spent last weekend here with her mother, Mrs. Bernice D. White and Grandmother, Mrs. Tillie Dippel. On Saturday while she was here two students from Hardin-Simmons University in Abilene, Carmen Hoffman and Cris Cotton, came here to visit with her.

Recent visitors in the home of Mr. and Mrs. Lynn Flowers have included Rex Flowers of Stamford and Joe Hudspeth of Hamlin.

Mr. and Mrs. John L. Garner, Johnny and Lisa, of Iraan, spent the weekend here visiting with the Morris Garners, A. R. Sawyers and other friends and relatives.

Pharmacist Honored

Britt Moore, formerly of Hamlin and now pharmacist at Weaver-Oates in Albany, was honored recently when he passed his 50th year as a pharmacist and was recognized by the Texas State Board of Pharmacy.

Twin Daughters

Mr. and Mrs. James Josey Jr. of Arlington are parents of twin daughters, Jennifer Deena, 3 lb. 12 oz., and Jan Denise, 3 lb. 8 oz., born Jan. 31.

Grandparents are Mr. and Mrs. James Josey Sr. and Mr. and Mrs. W. A. Reese, both of Hamlin.

ATHLETIC SHIRTS

Soft, springy, absorbent cotton knit. Cut for maximum comfort and smooth fit. Pure white finish that stays fresh-looking washing after washing. Sizes S, M, L, XL, XXL.

3 for \$199 69c each

HEIDENHEIMER'S

STATE Capital NEWS

By BILL BOYKIN

AUSTIN — New guidelines for conduct of the state's first publicly-financed primary elections are due to reach local election officials this week.

Secretary of State Bob Bullock, as chief Texas election officer, drafted the rules in line with a federal court amendment to the decision outlawing filing fees as proposed in a 1971 law.

Bullock interpreted the latest order as authorizing the state to foot the bill for primary election costs. He said an earlier opinion permitted use of nominal filing fees to regulate length of the ballot but not as a revenue-raising device placing a wealth requirement on candidacy.

The chief election officer ordered this mandatory filing fee schedule for both Democratic and Republican candidates (or an alternative nominating petition signed by qualified voters):

Statewide offices, \$400; U. S. representative, \$300; state senator, \$150; state representative, \$100; chief justice or associate justice, court of civil appeals, \$100; member state board of education, \$50; district judge or judge of any court having district office status, \$100; district attorney or criminal district attorney, \$100; all county offices except county surveyor or inspector of hides and animals, \$100; inspector of hides and animals, \$50; county commissioner, \$50; justice of the peace or constable for counties above 200,000 population, \$50; justice of the peace or constable for counties under 200,000, \$25; all party offices, no fee.

Fees must be paid in full by February 28. In lieu of filing fees, candidates may elect to file petitions by a March 6 deadline. For statewide offices, 2,500 signatures are necessary. For other offices, signatures urging candidacy must be equal in number to at least two percent of the entire vote cast for a party's gubernatorial candidate in the last general election for the territory served — or at least 25 and no more than 300 signers.

State Comptroller Robert S. Calvert has stated he will ask an attorney general's opinion on legality of Bullock's proposal to finance May and June primaries with funds transferred from another state appropriation. Gov. Preston Smith applauded the plan and said he will direct the necessary transfer.

ALLOWABLE GOES UP — The February oil allowance has been pushed up another 4.1 percent in answer to demands for more production.

Texas Railroad Commission set the allowable at 75.8 percent the following week after announcing it would be 71.7 percent.

Chairman Byron Tunnell said several Texas refineries insisted they could not get enough crude oil to meet demands for February if the allowable were set at the 71.7 percent factor.

The allowable has been raised for three straight months, and the new adjusted February mark is the highest since a 77.2

percent factor last May.

Tunnell said requests amount to a firm demand for an additional 76,000 barrels of crude oil a day for the month. The new allowable will permit an extra 75,717 barrels a day.

Texas crude stocks January 21 came to 90,994,000 barrels, down 18.3 million from the same time in 1971.

SINGLE MEMBER DISTRICTS — Atty. Gen. Crawford C. Martin strongly criticized a January 28 federal court ruling ordering single-member districts for Bexar and Dallas Counties.

Martin contends the decision is wrong and that the U. S. Supreme Court may reverse it on appeal.

Meanwhile, he asked the highest court to delay effect of

the order for 1972 elections. If it is made effective immediately, Martin contended, re-registration may be necessary for 400,000 Dallas and 224,000 Bexar County voters in line with altered voting precinct lines.

The three-judge federal court ordered 11 individual House districts in Bexar and 18 such districts of about 74,000 each of Dallas. Other districts drawn by a state legislative redistricting board last October were left intact, for this year's voting, although the legislature was directed to redraw all of them by July 1, 1973.

SHORT SNORTS

A state appeal from a federal court decision that illiterate voters must get aid at the polls was withdrawn at the governor's demand.

H. P. Guerra II of Rio Grande City was named to the Finance Commission of Texas.

New state highway maps are now available, and Highway Department tourist bureaus reported a 16 percent increase in travel services for 1971.

USDA Says Insurance Amount Reduced for Added Set-Aside

The U. S. Department of Agriculture announced this week that winter wheat producers will be permitted to revise their Federal Crop Insurance Corporation coverage to exclude land they put into additional set-aside.

This will remove additional set aside acreage from insurance coverage and reduce premiums to be paid by producers who participate in the additional set aside. Richard Aslakson, manager of the FCIC said, Mr. Aslakson said the action was taken to encourage producers to participate in the additional voluntary set aside program. It will provide equitable treatment for those producers who will be disposing of part of their wheat acreage under provisions of the additional set-aside program as operated by USDA's Agricultural Stabilization and Conservation Service, he said.

Mr. Aslakson said producers participating in this program will be required to revise their acreage reports to the FCIC prior to the close of the program sign-up time established by ASCS and to designate the acreage which will be involved.

Producers in spring wheat areas and in areas in which acreage reports have not been filed for winter wheat will be permitted to exclude this acreage from insurance coverage during their normal acreage reporting period.

Spot checks of this acreage will begin immediately following revisions in producers' reported acreages.

ELMER J. HAWKINS, M. D.

announces the closing of Medical Practice at Hamlin Clinic and Hospital effective February 13, 1972, and opening of office in Stamford Clinic for General Practice of Medicine February 14, 1972

A NEW TYPE OF BUSINESS FROM FRANK'S TV
